

# Prerequisite

## MIT App Inventor

Date	12 November 2022
Team ID	PNT2022TMID52158
Project	Smart Farmer-IoT Enabled Smart Farming Application

### Step 1:

Create Apps in MIT App Inventor

The screenshot shows the MIT App Inventor website homepage in a web browser. The browser tabs include 'IBM Cloud', 'IBM', 'MIT App Inventor', and 'MIT App Inventor'. The address bar shows 'appinventor.mit.edu'. The website features a blue header with the MIT App Inventor logo, a 'Create Apps!' button, and navigation links for 'About', 'Educators', 'News', 'Resources', and 'Blogs'. A purple 'Give' button is also present. The main banner has a blue background with white hexagonal patterns and a yellow circle. It contains the text 'Anyone Can Create iPhone and Android Apps with Global Impact' and a yellow 'Get Started' button. Below the banner, there are four statistics boxes: 'USERS TODAY: 152.8K', 'USERS THIS MONTH: 1.2M', 'ALL-TIME USERS: 14.9M', and 'APPS BUILT: 67.8M'. The footer shows the URL 'https://appinventor.mit.edu/explore/get-started' and a Windows taskbar with the date '12-11-2022' and time '09:15 AM'.
